HB Coaches' Expectations

2. Follow the rules of the Hathaway Brown School, the National Federation of High Schools, the Ohio High School Athletic Association and the sport you coach.
3. Promote good sportsmanship and fair play.
4. Strive for excellence within the teams.
5. Promote players having a positive experience, improving and doing their best.
6. Strive for clear and honest communication and fair treatment of all players.
7. Provide a fair and impartial tryout process for each team.
8. Care for the physical, emotional and educational welfare of the players including being involved in the college process.
9. Hold a parent meeting at the beginning of each season; review codes of conduct, introduce coaches, explain procedures for contacting coaches, give team rules, regulations and schedules.
10. Fulfill all coaching responsibilities as discussed with the Athletic Director including but not limited to rosters, awards, statistics, equipment/uniforms, practice & game preparation, captain selection process, etc.
11. Be continual learners as coaches; attend Athletic Department meetings as required, medical and CPR classes as required and available clinics and classes.
12. Support players’ decisions to participate in other extracurricular activities. Coaches will not penalize students for playing other sports.
13. Support fellow coaches, respecting their programs rather than viewing other programs as competitive.
14. Head Coaches should embrace the role of setting the schoolwide vision for their sport, and the overall progression of team and talent development, this includes providing and updating a current strategic plan for your program as well as a “road map” that incorporates vertical integration.
15. Set up a post-season meeting with the Athletic Director to review and evaluate the season and the student-athlete surveys.
