The Hathaway Brown Schools Wellness Policy on Nutrition and Physical Activity

The Hathaway Brown School District is committed to providing a school environment that enhances learning and development of life-long wellness practices and physical activity.

To accomplish these goals:
1. The school will provide an environment that offers and promotes healthy food and drink choices.
2. Hathaway Brown provides a positive dining environment that encourages a pleasant eating experience. The school environment is safe and comfortable and allows ample time for eating meals.
3. Hathaway Brown integrates nutrition education and physical activity into their everyday curriculum.
4. Hathaway Brown maximizes their participation in student fitness and physical activity programs.
5. Hathaway Brown promotes student wellness.
6. Parents, families, students, and staff are educated about healthy lifestyle choices.
7. Hathaway Brown provides professional development, support, and resources for staff about wellness.
8. All foods and beverages made available on school properties during the regular school day will meet or exceed the District’s nutritional standards which are aligned with the Alliance for a Healthier Generation.
9. Effective July 1, 2011 no food or beverage may be sold on school premises during the regular school day that does not meet the recommendations set forth by the Dietary Guidelines for Americans and The Alliance for a Healthier Generation.
10. Child Nutrition Programs will comply with Federal, State and Local requirements and be accessible to all children.

The following persons are designated to measure the effectiveness and oversee the implementation of the policy guidelines:
1. Associate Head of Finance
2. General Manager, Food Service
3. Directors of Primary, Middle, and Upper School
4. School Nurse
5. Athletic Director and or Physical Education teachers.
6. School Store Director
7. Parents, Students, and Community

Policy Review
During the 2011-2012 school year an annual report regarding compliance with these standards must be prepared and presented to the board at one of its regular scheduled meetings. Copies of the report shall be made available to the public and on the Hathaway Brown website.
