

GROW Foundation at Hathaway Brown School

(Girls Reaching Others Worldwide)

Grant Proposal Application

Mission Statement: GROW, Girls Reaching Others Worldwide, is a student-run foundation at Hathaway Brown School. The Foundation's ultimate goal is to encourage learning in connection with service. The Foundation hopes to serve those in need worldwide, specifically those in the greater Cleveland area. GROW willingly accepts proposals from all people from different races, genders, and age groups. GROW also strives to develop civic responsibility in the community so that more people will aid humanity.

In order to fulfill the Foundation's primary goal, GROW will use its \$3,000 to financially assist organizations or groups that address real community needs while incorporating education into their project. Because of a generous donation from the Crittenton Fund, GROW will also award \$4,000 to projects that specifically target adolescent girls in the Cleveland community.
