

Primary School Dress Code 2014 - 2015

Hathaway Brown Primary School's dress code is simple, neat, and easily available to all girls. Our hope is to reduce any comparison of socioeconomic status that may be done through clothing styles and labels, and to take away the use of clothing as a deterrent to social and academic endeavors while at school. We want our girls to begin to value their unique capabilities and contributions to our community through recognition of each person's gifts without concern for peer and media influence with regards to clothing.

- ✓ Clothing may have an HB logo; otherwise it must have no logo at all.
- ✓ Clothing should be free of any ornamentation (rhinestones, embroidery, etc.).
- ✓ On the first Friday of each month girls may wear any dress code bottom with any HB top. This is a chance to show school spirit and wear some of the school t-shirts purchased from the Brown Bag.
