HB at a Glance

Since 1876, HB has given students the tools they need to confidently embrace all the possibilities that exist for them. Immersive academic, service, and cultural opportunities abound for girls in K-12 and boys and girls in our Co-ed Early Childhood Program and Infant & Toddler Center. Our faculty is dedicated to hands-on experiential learning at all levels, and this can be observed daily within—and well beyond—our walls. Graduates attend many of the country’s top universities.

For more information, call 216 320 8767.
You’re Never Too Young to Learn for Life

Hathaway Brown’s inclusive environment, outstanding faculty, and unique programs draw families from 83 Northeast Ohio communities to our beautiful Shaker Heights campus, where children from 8 weeks to 18 years old learn and grow together.

Founded in 2001, HB’s Infant & Toddler Center is entrusted with the care and education of the small children of school faculty and staff, as well as many others in the community, including those with older students at HB, and HB alumi. The Center provides care for infants as young as 8 weeks old to young toddlers and older toddlers up to 3 years old. The Center’s small size allows for low student-to-teacher ratios significantly above state standards, at 2:1 for infants, 3:1 for young toddlers and 4:1 for older toddlers.

Infant & Toddler Center Highlights

Indoor and outdoor exploration of the entire HB campus with access to a wide range of educational opportunities ranging from listening to the school’s orchestra play to watching water polo practice, or walking in the woods.

Use of HB’s state-of-the-art Mixon Family Playground, gymnasium, large muscle room, turf field, and other outdoor areas benefit the physical development and growth of our students.

Weekly classes include Music & Movement, Library, and Open Gym. Exploration in Yoga is also offered throughout the year.

Nature-based learning abounds in HB’s Oliva Herb and Vegetable Garden.

Optional K.I.S.S. (Kids & Infants Safety and Survival) Aquatics lessons are available thanks to HB’s onsite Butler Aquatic Center (additional cost).

Experienced and well-trained teachers work one-on-one with students to practice receptive and expressive language, motor, cognitive, and social skills.

Our faculty teaches children about their feelings and self-management by using the Loving Guidance and Conscious Discipline approach to education.

Upper School students in our unique Legacy mentoring program work with the children, increasing the strong sense of community.

Nutritious meals and healthy snacks are prepared by HB’s onsite dining hall staff.

“‘The Hathaway Brown Infant & Toddler Center has been a positive experience not only for our son, but for our entire family. We had some trepidation leaving our first child, but it quickly became apparent that the staff provides the same loving care that they would give to their own children.’ – HB Parent

Rates:

5-Day Infant: $14,937
5-Day Young Toddler: $14,094
5-Day Older Toddler: $13,250
Summer Camp (June-August): $60 per day/$35 half-day
