

Senior scores perfect ACT

Hathaway Brown School senior Riva Jagetia, daughter of Neelam and Ranjan

Jagetia of Solon, recently earned a perfect ACT score. Riya earned a 36, the highest possible composite score on the ACT exam.

The ACT features tests dedicated to English, mathematics, reading and science, with each test scored on a scale from 1 to 36. A student's composite score is an average of these four test scores. Typically less than one-tenth of 1 percent of all test takers achieve this impressive accomplishment.
