

Primary Science Teacher

Hiring for the 2023-2024 School Year

DEPARTMENT: Primary School (Kindergarten-4th grade)

REPORTS TO: Director of Primary School

FLSA STATUS: Exempt

SUMMARY

Hathaway Brown School is seeking a full time science teacher who could work with girls aged Kindergarten to 4th grade. The ideal candidate has a passion for developing curiosity and an early interest in science concepts through discussion and hands-on lab experiences. He/ she will work effectively as a member of the Primary School division and the Science Department.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Teach our primary division science curriculum (Kindergarten to 4th grade)
- Update and create curriculum in conjunction with current science standards in alignment with Primary School division goals.
- Create opportunities for students to see themselves as scientific learners
- Collaborate with the Science Department to establish continuity
- Work with students on an individual basis in and outside of class time.
- Provide regular feedback (written and verbal) to students and parents
- Prepare report cards
- Maintain an organized classroom environment
- Attend faculty, division and in-service meetings as scheduled
- Support the Mission of the School
